PARC Club Meeting Minutes for April 24, 2006

Page 2

NEW BUSINESS:

1. Skywarn Training was attended by Gary, KB1MUG. He said that it was a very good training and they will be having trainings in the future.
2. Kiwanis Piscataquis River Race was a great success. Terry thanked everyone for helping with special thanks to Isaiah, Jonathan, and Andrew. Water was low, but everyone had a great time.
3. Field Day June 24 and June 25, 2006. Dottie has sent out some emails to club members. More information to follow at next meeting.
4. St. Albans Hamfest August 12, 2006. Inez gave an update from George about receiving the approval for a sanctioned Hamfest from ARRL. Also, gave an update on prizes. A request was made for more club members to become ARRL members so the club could become an ARRL affiliated club. We are at 33% at this time with 14 members. We need at least 8 more members to join to meet the 51% needed.
5. Rockwood Canoe Race May 20, 2006 (Moose River Canoe Race). Ben gave information about race and asked for members to let him know if they would be able to work at the race.
6. The repeater building on Stickney Hill needs some repairs. Add another coat of stain and repair gaps between boards on the building. We will consider having another picnic up there to make repairs. Also, Paul will need help to install the new antenna. Terry will go up and look at site and will give an update on repairs and the cost.
7. Club website needs to be updated. Inez will contact Paul, N1BUG with club information so he can update the web page.
8. Inez will get the club email address changed from George, WA1JMM to Glenn, KB1LCE club secretary.
9. Annual club dues are due by the end of May.
10. Club Officer nominations. Ben is chairperson for the nominations committee. He will be assisted by Howie and Gary Metilly.
11. Hats for the club. It has been accepted by all club members. Inez will have cost, style, color, and other information for the next meeting.
12. Net Controls:
 - 5/3/06 Ben
 - 5/10/06 Margie
 - 5/17/06 Josiah
 - 5/24/06 Inez
13. Letter of Appreciation awarded to Ben, WA1PBR for his hard work in the selling of donated equipment, and all that he has done for our club.
14. Tour de Cure Bike Race May 21, 2006. Tom gave information on the race and asked for workers.
15. Next meeting will be May 22, 2006.

Piscataquis Amateur Radio Club
Regular Monthly Meeting
May 22, 2006

Meeting called to order by President, Bob, KC1AU present were: Inez, KB1LDF; Nancy, KB1MUK; Gary, KB1Mug; Terry, N1RCU; Ray, N1MRT; Rodney, N1JRQ; Ron, W1FLV; Donny, WA1AKV; Dottie, KB1FOI; Andrew, KB1MUI; Howie, WA1SBI; Ron, K1HSD; Stosh, KB1NJO; Isaiah, KB1MUL; Bob, K1DDC; Josiah, KB1MUH; Jonathan, KB1MUJ; Ben, WA1PBR.

New Member: Stosh, KB1NJO

Secretary's report read and accepted.

Treasurer's report read and accepted.

PARC PEAK award for April 2006 is Eric, KB1KRK.

OLD BUSINESS:

1. Skywarn Training was attended by Gary, KB1MUG. He said that is was a very good training and they will be having trainings in the future.
2. Kiwanis Piscataquis River Race was a great success. Terry thanked everyone for helping with special thanks to Isaiah, Jonathan, and Andrew. Water was low, but everyone had a great time.
3. Field Day June 24 and June 25, 2006. Dottie has sent out some emails to club members. More information to follow at next meeting.
4. St. Albans Hamfest August 12, 2006. Inez gave an update from George about receiving the approval for a sanctioned Hamfest from ARRL. Also, gave an update on prizes. A request was made for more club members to become ARRL members so the club could become an ARRL affiliated club. We are at 33% at this time with 14 members. We need at least 8 more members to join to meet the 51% needed.
5. Rockwood Canoe Race May 20, 2006 (Moose River Canoe Race). Ben gave information about race and asked for members to let him know if they would be able to work at the race.
6. The repeater building on Stickney Hill needs some repairs. Add another coat of Stain and repair gaps between boards on the building. We will consider having another picnic up there to make repairs. Also, Paul will need help to install the new antenna. Terry will go up and look at site and will give an update on repairs and the cost.
7. Club website needs to be updated. Inez will contact Paul, N1BUG with club information so he can update the web page.
8. Inez will get the club email address changed from George, WA1JMM to Glenn, KB1LCE club secretary.
9. Annual club dues are due by the end of May.
10. Club Officer nominations. Ben is chairperson for the nominations committee. He will be assisted by Howie and Gary Metilly.

PARC Club Meeting Minutes for May 22, 2006

Page 2

11. Hats for the club. It has been accepted by all club members. Inez will have cost, style, color, and other information for the next meeting.
12. Net Controls:
 - 5/3/06 Ben
 - 5/10/06 Margie
 - 5/17/06 Josiah
 - 5/24/06 Inez
13. Letter of Apperception awarded to Ben, WA1PBR for his hard work in the selling of donated equipment, and all that he has done for our club.
14. Tour de Cure Bike Race May 21, 2006. Tom gave information on the race and asked for workers.
15. Next meeting will be May 22, 2006.

NEW BUSINESS:

1. Thank You letter for Skip, N1TXV for helping with the Rockwood Canoe Race.
2. Rockwood Canoe Race on May 20th was a great success even with the bad weather. We had 13 participants.
3. Field Day June 24th & 25th update given by Inez and Dottie. Bob, KC1AU volunteered to be there for the youth.
4. Tour De Cure Bike Race on May 21st was a great success we had 5 participants from our club work.
5. St. Albans Hamfest August 12th update given by Inez. We are moving ahead with the prizes and we are a sanctioned Hamfest.
6. Gary presented the Skywarn package that he has put together with all kinds of information. He will let us know when the next training will be.
7. Bob, KC1AU gave a presentation on the difference between ARES and RACES. What it takes to be a part of either one of the organizations.
8. Repeater report given by Terry. We have a new antenna for the repeater and we will get installed when the wind dies down enough. He also, made a motion for the club to buy the items needed for the repairs on the repeater shack; Passed.
9. Tentative date for the Club Picnic, Repeater Shack repairs and July Club meeting on July 23, 2006. To be discussed further at the June meeting.
10. Club email address has not changed for the website yet. Will check and update in June meeting.
11. Nominations for the New Club Officers:
 - Gary Metilley Vice President
 - Inez Sanborn Treasurer
 - Ben Kittredge SecretaryElections will be held at the June 24th meeting.
12. A reminder about the 2007 Club dues.

Piscataquis Amateur Radio Club
Regular Monthly Meeting
July 23, 2006

Meeting called to order at 1352 hrs by President, Bob, KC1AU.
20 Members and 11 guests were present.

Minutes of the June meeting were accepted as read
Treasurer's report was accepted as read.

OLD BUSINESS:

1. Repair and maintenance of the repeater shack will be rescheduled due to the unfavorable weather.
2. Preparations continue for the August 12th Hamfest at St. Albans. Martin Orloski presented the club with a \$25.00 gift certificate to the Olive Garden for an additional door prize. Club hats, t-shirts, and patches will also be awarded. On the air information will be available on the 146.85 repeater. License testing will begin at 9:00.
3. Inez, KB1LDF, gave an update on the 2006 Field Day contest. She is still in the process of reviewing the contacts made during the contest, but reported that we had more contacts this year than during the 2005 event.
4. Our club hats were picked up and delivered to the EOC by Stosh. The price for the hats is \$10.00 each.

NEW BUSINESS:

1. The next meeting will be held on Monday, August 28, 2006.
2. Bob, KC1AU, suggested that the club consider purchasing a portable HF antenna for operations on 10 through 80 meters. A motion was made and seconded to table the discussion until after the Hamfest. Motion carried.
3. John Howard donated a 20 amp Astron power supply to the club. A motion was made and seconded to offer the unit for sale at the Hamfest. Motion carried.
4. A letter of appreciation will be to John for his donation.
5. Net Controls for August:
2nd – Inez, KB1LDF
9th – Terry, N1RCU
16th – Stosh, KB1NJO
23rd – Ray, N1MRT
6. PARC's PEAK Award was presented to Inez, KB1LDF.

Piscataquis Amateur Radio Club
Regular Monthly Meeting
August 28, 2006

The regular monthly meeting of the Piscataquis Amateur Radio Club for August was called to order at 1903 hrs by our President, Bob Wilson KC1AU.

18 Members were present.

The minutes of the July meeting were accepted as read.

The treasurer's report was accepted as read. Ben reported that the net income from the hamfest was \$391.01.

President, Bob Wilson, KC1AU welcomed returning member, John Howard, KD1YW.

OLD BUSINESS:

President, Bob Wilson, acknowledged Inez and Stosh for their work on the club hats and patches.

The repairs and maintenance work on the repeater shack has been completed by Ben, WA1PBR.

Bob, K1DDC and Raym N1MRT donated an HF antenna to the club for portable use. They will set it up and check it out with an antenna analyzer.

Stosh read a letter received from Dave, K1FK regarding the hamfest.

A work party will be arranged to erect the new antenna at the repeater shack.

NEW BUSINESS:

Bob, KC1AU, informed the club that there will be a Family Emergency Preparedness Program offered at the Mormon Church in Milo on Sept. 9th, and asked if any club members were interested in giving a demonstration of Ham Radio Communications. He also reported on the upcoming SETS Event, and will keep us informed of plans for Maine's participation.

He then encouraged our Technician license holders to work on upgrading to General, and discussed recruiting options in the area.

The hardline coax that was donated to the club will be offered to Paul for use with the new antenna for the repeater.

The Stickney Hill, 147.105 repeater. BUILDING MAINTENANCE
DID IT COMPLETE

NEW BUSINESS

SEPT. 9 2006. FAMILY EMERGENCY PREPAREDNESS. WOULD YOU LIKE TO
PUT ON A PRESENTATION The Mormon church which meets at Milo's Post 41 American
Legion is holding a workshop on family emergency preparedness on September 9, 2006 9:00
AM-2:00 PM. Tom Iverson is helping, I guess, too. They would like someone to come discuss
emergency communications.

*The main SET weekend to focus on this year is October 7 -8,
2006.*

The ARRL Simulated Emergency Test is a nationwide exercise in emergency
communications, conducted by ARRL Section Emergency Coordinators, and
by Net Managers. Both Amateur Radio Emergency Service® (ARES ®) and the
National Traffic System (NTS) are involved. The SET weekend gives
communicators the opportunity to focus on the emergency-communications
capability within your community while interacting with NTS nets.

**Piscataquis Amateur Radio Club
Regular Monthly Meeting
September 25, 2006**

The regular monthly meeting of the Piscataquis Amateur Radio Club for September was called to order at 1912 hrs by our President, Bob Wilson KC1AU.

20 Members and 3 guests were present.

Our guests were Richard LaBree from Dover-Foxcroft, Reg Faulkingham - K1IKI from Orrington, and Bob Campbell.

The minutes of the August meeting were accepted as read.
The treasurer's report was accepted as read.

OLD BUSINESS:

The Maine SET has been set for Nov. 4th. Ben and George were asked to coordinate the event.

Bob Campbell gave a presentation on the subject of repeater antennas, cables and connectors. He will continue his presentation at the October meeting, and talk about other hardware and test equipment.

NEW BUSINESS:

The PARC Award was deferred until the next meeting due to Terry's absence.

Net Controls:

Sep. 27th – Ray, N1MRT

Oct. 4th – Inez, KB1LDF

Oct. 11th – Stosh, KB1NJO

Oct. 18th – Gary, KB1MUG

Next meeting is scheduled for 23 October 2006

MEETING ADJOURNED.

Respectfully submitted,

Stosh Spoors – KB1NJO
Secretary PARC

Piscataquis Amateur Radio Club
Regular Monthly Meeting
October 23, 2006

The regular monthly meeting of the Piscataquis Amateur Radio Club for October was called to order at 1902 hrs by our President, Bob Wilson KC1AU, with 16 members and 3 guests present.

The minutes of the September meeting were accepted as read.
Due to the treasurer's absence, no report was given.

OLD BUSINESS:

Bob Wilson, Ben and Stosh made brief comments about the upcoming SET, and each made an appeal to the membership for more participation in this important event. We now have twelve commitments to participate.

Our President acknowledged the presence of Tom Belvin, WA1LFW from Brownville Junction.

The 2 meter radio at Mayo Hospital has now been installed and programmed for use in emergency communications. Ray Roberts, N1MRT will be manning the radio during the upcoming SET.

The antenna that was donated to the club was checked out by Bob Thornton and Ray Roberts, and it was determined that it was not suitable for the clubs needs. Bob Wilson renewed his suggestion that the club consider purchasing an Outbacker antenna for portable use. The cost for the antenna is approximately \$400.00.

NEW BUSINESS:

Ben informed the club that the question pool for the Technician exam changed on July 1st, and suggested that the club purchase two new technician manuals. A motion to that effect was made and seconded. Motion carried by unanimous vote.

A Heathkit 75m SSB radio and power supply were donated to the club, and Ben volunteered to check it out to determine if it is in working condition. The club will decide what to do with it after Ben's report.

Net Controls:

NET CONTROLS:

Piscataquis Amateur Radio Club

Regular Monthly Meeting

November 27, 2006

The regular monthly meeting of the Piscataquis Amateur Radio Club for September was called to order at 1910 hrs by our President, Bob Wilson KC1AU.

12 members and 3 guests were present.

The minutes of the October meeting were accepted as read.

The treasurer's report was accepted as read.

OLD BUSINESS:

The membership decided to offer the hard-line coax to Clarence Rider, AA1PN, for his contributions to the club.

Bob Campbell completed his presentation on duplexers and repeaters and offered a hands-on demonstration of tuning notch filters.

NEW BUSINESS:

Stosh was introduced to the club as the new Emergency Coordinator for Piscataquis County Emergency Communications.

Ben, WA1PBR, made a motion to purchase two new tables from Sam's Club to replace tables that are in poor condition.

There will be no regular club meeting in December, but the club will meet for a Christmas dinner, the date, time and location to be announced on the weekly net meeting.

The next FCC exams will be offered on Dec. 9th at

PARC's PEAK Awards were presented to Ray Roberts, N1MRT, for August, Inez Sanborn, KB1LDF, for September and Gary Metilly, KB1MUG for October.

Stosh presented Certificates of Appreciation to those who participated in the recent SET, and spoke briefly about an upcoming exercise on Dec. 12th. He will attempt to get more detailed information and pass it on to interested operators.

Net Controls:

Nov. 29 - Inez Sanborn, KB1LDF

Dec. 6 - Howie Weymouth, WA1SBI

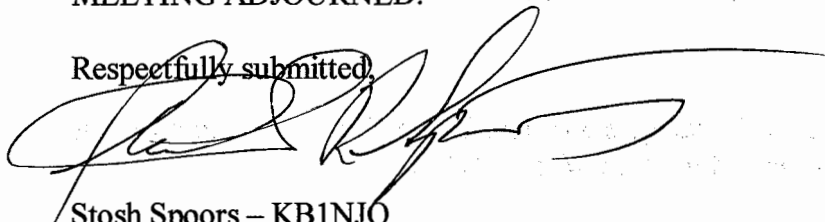

Dec. 13 - Stosh Spoors, KB1NJO

Dec. 20 - Terry Knowles, N1RCU

The next regular meeting of the Piscataquis Amateur Radio Club is scheduled for January 22, 2007.

MEETING ADJOURNED.

Respectfully submitted,

TWPC-1405-1, 2, 3

BANDPASS CAVITIES

**TWPC-1405-1****TWPC-1405-2****TWPC-1405-3**

Telewave TWPC-1405 cavities have 1/4" aluminum top plates which are fully welded to the aluminum outer-conductor. This improvement, along with silver-plated copper tuners, beryllium copper fingers stock contactors, and threaded Invar rod, assures temperature-stable, High-Q operation.

All cavities are tuned prior to the shipping when frequencies are specified; no further adjustments should be necessary. If frequency changes are required, the positive locking mechanism allows for easy field tuning by rotating the threaded Invar tuning rod. Selectivity and insertion loss may also be adjusted by rotating the calibrated connector loops; no special equipment is required when making these adjustments.

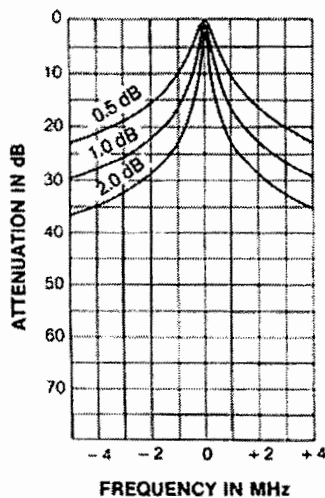

The Telewave Model TWPC-1405 is a 5" diameter, High-Q cavity filter for use in highly congested RF environments. The Model TWPC-1405-2 dual-cavity and the TWPC-1405-3 triple-cavity filter provide additional protection as required for more severe RF environments. (See reverse side for typical selectivity characteristics.) All dual and triple-cavity combinations are supplied complete with interconnecting cables and mounting rails.

This bandpass cavity is ideal for use in any frequency congested area where maximum protection is needed from transmitter spurious radiation, and receiver desensitization.

TELEWAVE, INC.

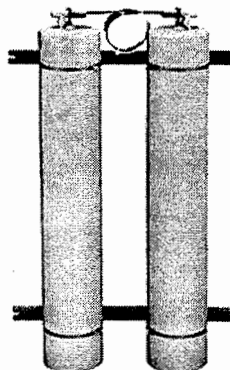

148 - 174 MHz

TWNC-1505-1,2

NOTCH CAVITIES

TWNC-1505-1

TWNC-1505-2

Telewave 5" Notch Cavities TWNC-1505-1 and TWNC-1505-2 are available in various configurations to meet your exacting filtering needs. When closer spacing is required, 8" or 10" cavities are available for a higher "Q". Notch cavities are often used in conjunction with pass cavities in complex filtering designs.

TUNING RANGE

Telewave Notch Cavities TWNC-1505-1 and TWNC-1505-2 are shipped tuned and tested at 148-174 MHz from the factory. They can also be tuned to a single frequency specified by the customer. If field tuning is required, the positive locking mechanism makes tuning to another frequency simple. Cavities are tuned standard at 50 ohms impedance.

FREQUENCY STABILITY

Frequency stability, which is critical in cavities of high "Q" design, is engineered to close tolerances by the use of a specially machined compensator and a threaded invar rod. The pass frequency is temperature stable from -30 C to +60 C. Some configurations allow use of up to 350 Watts.

RUGGED CONSTRUCTION

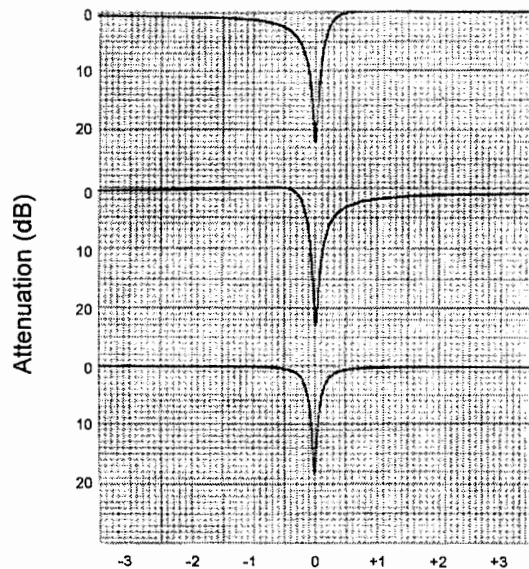

Heavy duty materials are used throughout the cavity to insure top performance and long life. The top plate is machined from 1/4" aluminum, and heliarc welded to the aluminum outer conductor. An acrylic enamel finish is applied to prevent corrosion. The use of similar metals and alodined aluminium prevents galvanic corrosion. Silver plated tuners and beryllium copper finger stock assure a long life and Higher "Q." Mounting rails are provided for all multiple-cavity filters.

ADJUSTABLE SELECTIVITY

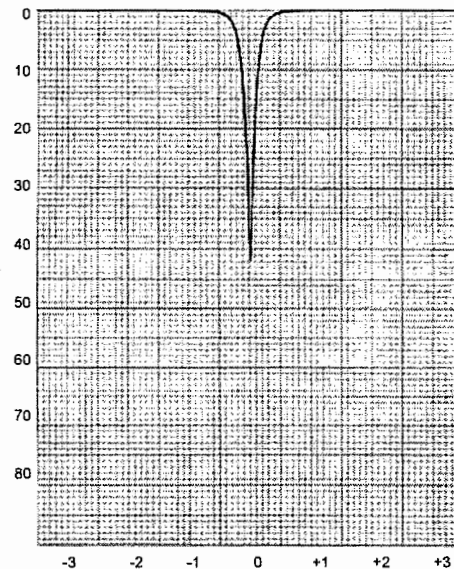

The TWNC-1505-1 & TWNC-1505-2 are quarter-wavelength cavities with an adjustable coupling loop and tuning capacitor. Insertion loss can be easily set from less than 0.5 dB to 2 dB or more with corresponding increases in selectivity. This allows for optimum settings of insertion loss and close frequency rejection. For severe RF environments, the TWNC-1505-2 dual cavity filter further increases "Q" to provide greater selectivity. Telewave uses ground loop technology which places the center pin of the loop at DC ground potential.

WHY USE DUPLEXERS ?

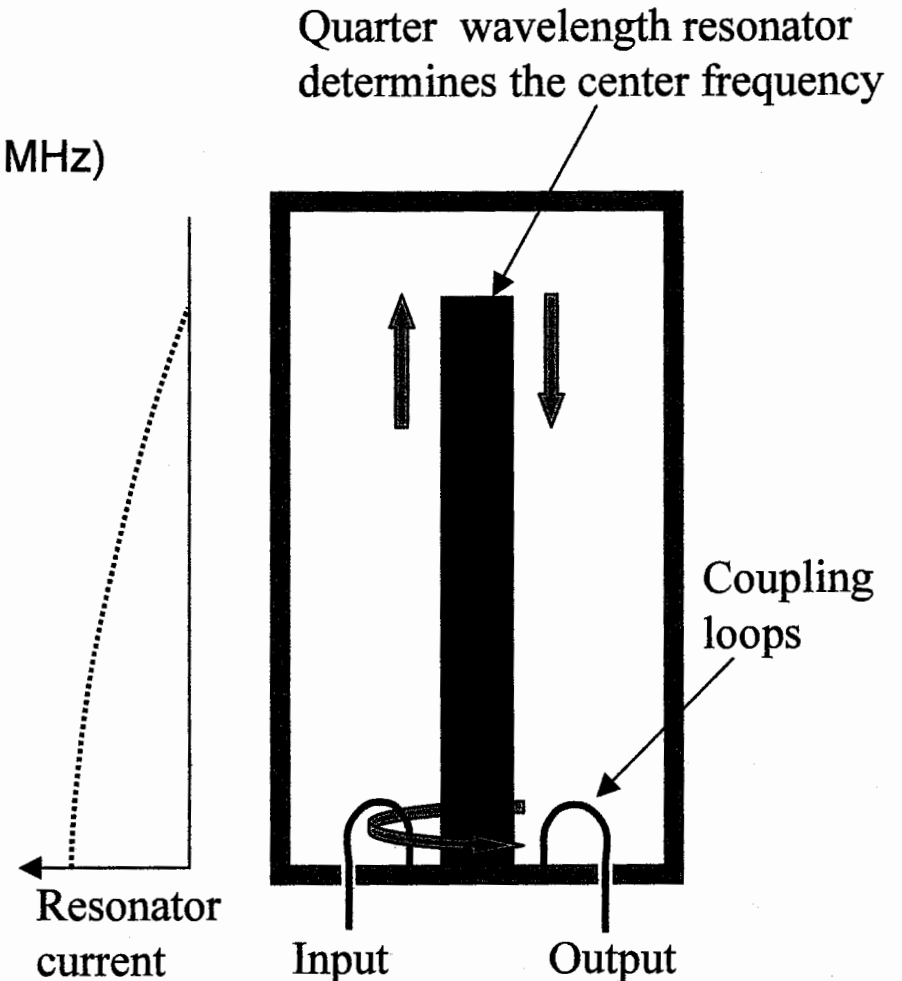

DUPLEXERS...

- ❑ Allow simultaneous transmit and receive on the same antenna
- ❑ The Rx filter attenuates the TX signal ~ 75 dB or more (approx 30 million times) and vice-versa
- ❑ The Tx filter attenuates the TX broadband noise being fed into the Rx by a similar amount
- ❑ Three port devices:

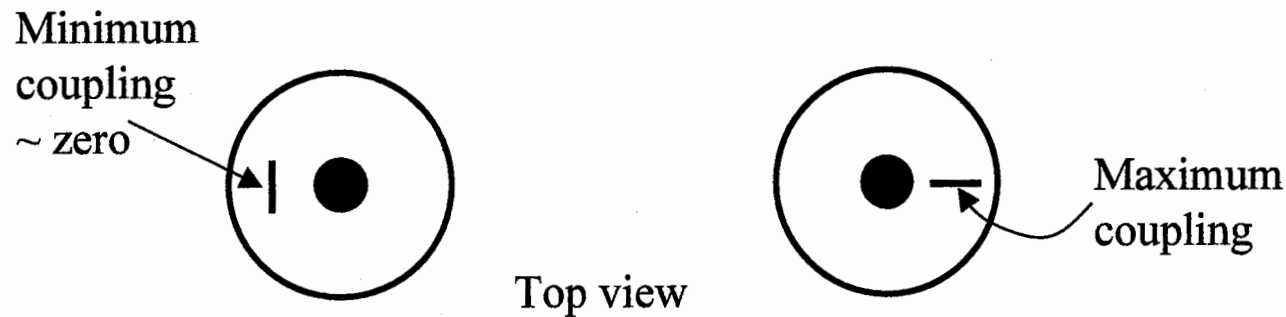

CAVITIES IN GENERAL

- ❑ Use a very low loss transmission line to improve selectivity (high Q)
(~0.08 dB loss / 100 ft for a 6 in. cavity @ 150 MHz)
- ❑ The resonator acts as a quarter wave antenna inside a closed box, with max. current at the base
- ❑ In – out loops magnetically couple energy to the resonator
- ❑ Capacitive coupling may also be used but not discussed here

LOOP COUPLING TO THE RESONATOR

- ❑ Loop orientation affects coupling:

- ❑ Loop size: increasing the loop size increases coupling and its inductance as well
- ❑ Loop proximity from the resonator: placing the loop closer will increase coupling.
- ❑ Loop coupling affects the insertion loss and selectivity in the bandpass region and the notch frequency in notch-bandpass designs.

BASIC TYPES OF DUPLEXERS

TX – RX FREQ SEPARATION

☐ LO – HI PASS FILTERS
