Old Business: 1. St. Albans Hamfest: Net receipts were \$347.50. It was felt that attendance was down somewhat from last year and the following suggestions were offered:

A. More advertising needed, i.e. using the repeater links to pass the word throughout much of the state, mailings with addresses of local hams compiled using QRZ.com.

B. Specialty tables/discussion groups/demonstrations

C. Consider closing the hamfest at an earlier hour, i.e. 11 instead of noon

2. Greenville to Brownville 100 Mile Dog Sled Race: Trails may be different from last year in an effort to extend the course to a full 100 miles.

New business: 1. Net controls: 8/29: Ben, 9/5: Ray, 9/12: Stosh, 9/19: Margie

2. Piscataquis County EMA report by Tom, KB1ORJ:
